

RPF Website. Cookies Policy

Terms and definitions

- User — an individual using the Website.
- Operator/RPF/Russian Padel Federation — the All-Russian Public Organization "Russian Padel Federation," OGRN 1177700003161, INN 9705089357.
- Website — the official website of the RPF, published at <https://padelrus.ru>, owned by the Russian Padel Federation.
- Metric data — any information related to a specific or identifiable individual based on such information.
- Cookie — a piece of data sent by the Website and stored on the User's device. Cookies usually contain the name of the website from which they were received, the "expiration date" (i.e., how long they will remain on the device), and a unique randomly generated number.

General Provisions

Before using this Website, the User must fully familiarize themselves with these Terms of Processing Metric Data on the official website of the Russian Padel Federation (hereinafter referred to as the "Terms").

These Terms define the procedure for processing metric data by the RPF and third parties during the User's use of the Website.

By clicking the "Submit," "Apply," or similar buttons, including in the window — notification about the processing of metric data using Cookies on the Website, and by continuing to use the Website, the User agrees to the Terms of Processing Metric Data on the Website.

Procedure for Processing Metric Data:

- The Website uses the following web analytics tool: Yandex.Metrica, provided by YANDEX LLC (Russian Federation, 119021, Russia, Moscow, Lva Tolstogo St., 16, OGRN 1027700229193). The web analytics tool is used to analyze the use of the Website and improve its performance.
- The Operator processes Cookies in a generalized form and never correlates them with the personal information of Users.
- The Website displays a warning informing Users about the processing of metric data.
- By visiting the Website, the User consents to the Operator to process the specified data using metric services for analyzing usage, measuring, and improving the performance of the Website. The consent is valid from the moment it is provided and throughout the period of the User's use of the Website.
- If the User refuses to process Cookies, they must stop using the Website or disable the use of Cookies in their browser settings, in which case some features of the Website may become unavailable.
